## WORK EXPERIENCE

**Bauer Latoza Studio, LTD.** | **Architectural Designer** | Chicago, IL | 12.18 - 09.20

*Restoration, Educational, Adaptive Reuse and Office Projects*

- Developed and produced documents for all phases of design and construction in compliance with federal, state and local codes
- Illustrated diagrams and rendered documents used to support proposals throughout various stages of design
- Identified changes in the project scope of work that required additional services and prepared design alternatives that reflected these modifications
- Performed constructability and quality control reviews throughout the design process and construction documentation phase
- Conducted site visits and provided field reports to document field observations

**Terion Living INC.** | **Design Associate** | Chicago, IL | 04.18 - 11.18

*Operator of Valcucine Chicago and Mobili Mobel*

- Communicated design ideas to clients graphically using various computer-aided design (CAD) and building information modeling (BIM) software
- Completed a benefit analysis of Chief Architect compared to the current software
- Coordinated with contractors in receiving furniture, appliances and kitchen cabinetries at clients' homes through scheduling, space preparation, staging and inspections
- Designed, developed and maintained Valcucine Chicago's retail website alongside an independent developer
- Executed the installation of a TEAM 7 display kitchen at Mobili Mobel

**Sarfatty Associates, LTD.** | **Architectural Designer** | Evanston, IL | 07.16 - 03.18

*Hospitality, Retail and Food Service Projects*

- Outlined efficient space planning solutions for public and private areas of hotels
- Reviewed submittals and shop drawings to ensure conformity with design intent
- Assisted in obtaining permits and approvals for various projects across the United States

**Brandstetter Carroll INC.** | **Intern Architect** | Cleveland, OH | 05.15 - 08.15

*Public Safety, Municipal, Camp and Library Projects*

- Designed spatial and programmatic layouts for new and renovated buildings
- Tripled the efficiency and reduced the turnaround time for submitted documents
